

Fibre Optic Adapters / Couplers are essential component in a fibre optic network, they are used inside fibre optic patch panel or LIU to link both the connectors.

Iveonet™ adapters are made with high precision machines which ensure precise alignment for the connectors when they are plugged in.

#### Features:

- Available for singlemode and multimode
- Available in SC, LC, ST, FC / MTRJ
- Made of durable polycarbonate material
- Compatible and works with all rack-mount and wall-mount enclosures
- Zirconia ceramic sleeves for optimal performance in 1 Gbps or higher transmission speeds
- Integrated couplers eliminate "rattle" and loose fit
- Exceeds optical performance standards and meets all other applicable standards

## Shuttered Fiber Optic Adapters

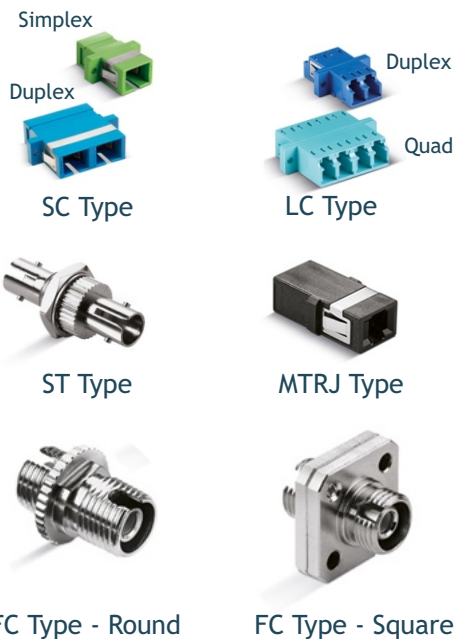

Shuttered adapters are used to protect the inner adapter from dust and debris and to avoid eye damage from laser source. Fibre Optic Adapters / Couplers are essential component in a fibre optic network, they are used inside fibre optic patch panel or LIU to link both the connectors.

Iveonet™ adapters are made with high precision machines which ensure precise alignment for the connectors when they are plugged in.

#### Features:

- Available for Single mode and Multi mode
- Available in SC, LC
- Made of durable polycarbonate material
- Compatible and works with all rack-mount and wall-mount enclosures

	ADAPTER		FIBER TYPE		ADAPTER TYPE	
IFA -						
	ADAPTER		FIBER TYPE		ADAPTER TYPE	
	LC	ST	OS1	9/125	SX	SIMPLEX
	SC	MT	OM1	62.5/125	DX	DUPLEX
	FC		OM2	50/125	QD	Only for LC
			OM3	50/125		
			OM4	50/125		

### PART NUMBER ORDERING EXAMPLE:

	ADAPTER		FIBER TYPE		ADAPTER TYPE	
IFA -	L	C	OS	1	D	X

Which Represents: IFA-LC-OS1-DX

IVEONET Fiber Optic Adapter with LC - 9/125 Single Mode - Duplex Connector.  
APC Type also available.

### SHUTTERED ADAPTERS

	ADAPTER		FIBER TYPE		ADAPTER TYPE	
IFSA -						
	ADAPTER		FIBER TYPE		ADAPTER TYPE	
	LC	SC	OS1	9/125	SX	SIMPLEX
			OM1	62.5/125	DX	DUPLEX
			OM2	50/125	QD	Only for LC
			OM3	50/125		
			OM4	50/125		

### PART NUMBER ORDERING EXAMPLE:

	ADAPTER		FIBER TYPE		ADAPTER TYPE	
IFSA -	L	C	OS	1	D	X

Which Represents: IFA-LC-OS1-DX

IVEONET Fiber Optic Shuttered Adapter with LC - 9/125 Single Mode - Duplex Connector.  
APC Type also available.
