

## Salient Features:-

- ♦ Internal cable management
- ♦ Aluminium / MS Housing
- ♦ Easy-to-use door latches (WM)
- ♦ High density requirements

12 Port

24 Port

## Description:

The Iveonet™ wall mount fiber patch panel is designed to provide optimal protection for your fiber optic applications. The fiber housings come in a double steel door design with an integrated key lock latching system. Each fiber enclosure includes cable routing spool and fiber splice tray. The interchangeable plate facilitates upgrades as required. Integrated fiber management rings meet current industry standard specifications. All Iveonet™ fiber optic patch panels (ILIU) are ROHS compliant.

## Product Facts:

- ♦ 12 / 24 / 48 fiber ports.
- ♦ Cable entries feature integral rubber cable grommets. (4 Cable Entries)
- ♦ Lockable compartments for restricted entry.
- ♦ Internal fibre clips for managing incoming cables and fiber pigtails.
- ♦ Top and bottom cable entry/exit points for ceiling or floor access.
- ♦ Rugged steel construction in graphite finish
- ♦ Quick adapter installation, interchangeable FC/ST/SC/LC adapter panels
